# Big Big World

FULL ENGLISH TRANSCRIPT

I'm a big big girl in a big big world. It's not a big big thing if you leave me.

But I do, do feel that I do, do will miss you much Miss you much. I can see the first leaf falling.

It's all yellow and nice. It's so very cold outside Like the way I'm feeling inside.

Outside it's now raining. And tears are falling from my eyes.

Why did it have to happen? Why did it all have to end?

I have your arms around me, warm like fire. But when I open my eyes, you're gone.
