The Day You Went Away

FULL ENGLISH TRANSCRIPT

Well I wonder could it be When I was dreaming 'bout you baby You were dreaming of me. Call me crazy, call me blind.

To still be suffering is stupid After all of this time. Did I lose my love to someone better?

And does she love you like I do? I do, you know I really, really do.

Well hey, so much I need to say. Been lonely since the day, the day you went away.

So sad but true. For me there's only you.

Been crying since the day, the day you went away. I remember date and time September twenty second Sunday twenty five after nine.

In the doorway with your case. No longer shouting at each other.

There were tears on our faces. And we were letting go of something special.

Something we'll never have again. I know, I guess I really, really know.

Why do we never know What we've got 'til it's gone? How could I carry on the day you went away?

'Cause I've been missing you so much I have to say.
