Take Me to Your Heart

FULL ENGLISH TRANSCRIPT

Hiding from the rain and snow Trying to forget but I won't let go. Looking at a crowded street Listening to my own heart beat.

So many people all around the world. Tell me where do I find someone like you girl?

Take me to your heart, take me to your soul. Give me your hand before I'm old.

Show me what love is, haven't got a clue. Show me that wonders can be true.

They say nothing lasts forever. We're only here today.

Love is now or never. Bring me far away.

Give me your hand and hold me. Show me what love is, be my guiding star.

It's easy, take me to your heart. Standing on a mountain high Looking at the moon through a clear blue sky.

I should go and see some friends But they don't really comprehend. Don't need too much talking without saying anything.

All I need is someone who makes me wanna sing.
