Yesterday Once More

FULL ENGLISH TRANSCRIPT

When I was young I'd listen to the radio, Waitin' for my favorite songs. When they played I'd sing along, it made me smile.

Those were such happy times and not so long ago. How I wondered where they'd gone.

But they're back again just like a long-lost friend. All the songs I loved so well.

Every sha-la-la-la, every wo-o-wo still shines. Every shing-a-ling-a-ling that they're startin' to sing so fine.

When they get to the part where he's breakin' her heart. It can really make me cry just like before.

It's yesterday once more. Shoobie-doo, lang-lang, shoobie-doo, lang-lang.

Lookin' back on how it was in years gone by, and the good times that I had, makes today seem rather sad. So much has changed.

It was songs of love that I would sing to them, And I'd memorize each word. Those old melodies still sound so good to me.

As they melt the years away. All my best memories come back clearly to me.

Some can even make me cry just like before.
