Casablanca

FULL ENGLISH TRANSCRIPT

I fell in love with you watching Casablanca. Back row of the drive-in show in the flickering light.

Popcorn and cokes beneath the stars became champagne and caviar. Making love on a long hot summer's night.

I thought you fell in love with me watching Casablanca. Holding hands 'neath the paddle fans in Rick's candle-lit cafe.

Hiding in the shadows from the spies. Moroccan moonlight in your eyes.

Making magic at the movies in my old Chevrolet. Oh, a kiss is still a kiss in Casablanca.

But a kiss is not a kiss without your sigh. Please come back to me in Casablanca.

I love you more and more each day As time goes by. I guess there're many broken hearts in Casablanca.

You know I've never really been there, So I don't know. I guess our love story will never be seen On the big wide silver screen.

But it hurt just as bad When I had to watch you go.
